

Layla's Sweets: one-page business plan

Generated 2026-10-09 by Bedaya. Official fees come from Jordanian government sources; other costs are estimates.

1. The business

Layla's Sweets is a home-based business in Amman run by Layla Ahmad Mahmoud Al-Khatib. Homemade Jordanian sweets (maamoul, knafeh trays) sold by pre-order on Instagram and WhatsApp. The business is at the prototype stage and plans to launch in 2026-12.

2. Market

Target customers: Families and offices in West Amman ordering for Eid, weddings and events. Orders come through social media and word of mouth, with 1 helper planned at launch.

3. Costs

Setup
